H-No 15-66/18, Meerpet, Hyderabad, Telangana, India - 500097

## PROFILE:

Motivated Computer Science student with a strong foundation in software development, cybersecurity, and machine learning. Seeking an internship to apply technical skills, contribute to impactful projects, and gain hands-on experience in a challenging environment.

## EDUCATION:

**Bachelor of Engineering (B.E) in Computer Science Engineering** **2022 to 2026**  
(Internet of Things & Cyber Security Including Block Chain Technology) **CGPA 9.37/10**  
Chaitanya Bharati Institute of Technology (Autonomous), (CBIT), Hyderabad  
Affiliated to **Osmania University (OU), Hyderabad**, Telangana, India.

**Intermediate (+2) from Sri Chaitanya Junior College**; Hyderabad, **2020 to 2022**  
affiliated to **Board of Intermediate Education, (BIE), Hyderabad**, Telangana, India **Percentage 98.4%**

**SSC (10<sup>th</sup>)** **March, 2020**  
**Sri Chaitanya Techno School**, Hyderabad **CGPA 10/10**

## SKILLS:

- **Programming Languages:** Python, Java, SQL
- **Web Technologies:** HTML, CSS, React JS
- **Tools & Frameworks:** OOP in Python, Machine Learning, Ethical Hacking

## PROJECTS:

**OWASP Juice Shop Vulnerability Assessment:** **May – June 2024**  

- Conducted security analysis and exploited vulnerabilities such as Broken Access Control, SQL Injection, Second-order SQL Injection, and All types of XSS.

**Testfire.net Vulnerability Assessment** **June – July 2024**  

- Performed comprehensive penetration testing following the ethical hacking methodology: reconnaissance, scanning, gaining access, maintaining access, and covering tracks. Exploited vulnerabilities such as XSS, SQL Injection

**Handwritten Digit Prediction - Classification Analysis** **July – August 2024**  

- Developed a machine learning model to classify and predict handwritten digits as part of the Artificial Intelligence and Machine Learning course. Utilized techniques such as data preprocessing, feature extraction, and various classification algorithms to achieve high accuracy.

**Personal Portfolio Website Development** **October – November 2024**  

- Developed a personal portfolio website showcasing my projects, skills, and experience using HTML, CSS, React.js, and Java. Designed an interactive and responsive UI to enhance user experience.

## CERTIFICATIONS:

- Certification in Web Development from Internshala Trainings.
- Certification in Java Foundation from Infosys Springboard
- Certification in Cyber Security and Ethical Hacking from Rinex
- Certification in Artificial Intelligence and Machine Learning from YBI Foundation

## ACHIEVEMENTS:

- Developed a feature to enhance user experience by suggesting trendy tops to match with bottoms during the Myntra WeForShe 2024 Hackathon, contributing to increased business potential for Myntra.
- Currently serving as a junior coordinator for the Engineers Without Borders (EWB) Club, organizing events and projects, and contributing to community development initiatives.
- Secured top ranks consistently throughout academic career with a CGPA of 9.37/10.
